Another Fun Pot Luck!

Well, we did it again. Bob Koski was the host to another great pot luck. We danced in the garage, which was really big enough for two squares, even if we only danced one. A good time was had by all, not to mention a big assortment of food and talk. We even tried out Bob's latest computer programs.

Thanks to all those who attended, and especially to Bob. We still missed some familiar faces, and hope to see them at our next pot luck.

How we felt after dinner (and all those deserts)!

FIFE'S

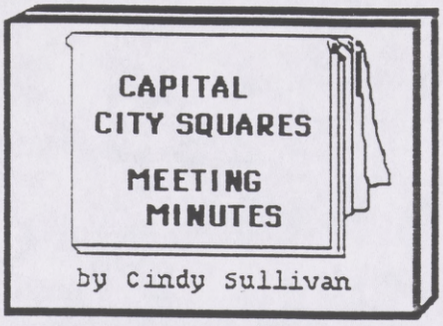
We would like to see all members of the club attend the Fife's retreat, April 21-23. It would really be great to see some other Bay area club members, as well. The management at Fife's is holding all rooms open, until they have

some idea how many rooms are needed. So, be sure and get your registration form and deposit mailed in as soon as possible.

April Fool's Gala by Prime 8's and Capital City Squares

Both the Capital City Squares and the Prime 8's will be hosting the April 1st April Fool's Gala. This Saturday event will feature the calling of Harlan Kerr, and will be composed of Plus and A1 workshops, with a planned hoedown, later in the evening, to include both levels of square dance. We welcome all those who would like to practice either level, and we plan to have several of these events, this year, in order to develop more rounded dancing, with callers (versus records).

There are more details inside.



March 1, 1989 Board Meeting Minutes

The meeting was called to order at 6:45pm. It was held at Kris and Cindy's home. Those in attendance were: Mary Jo, Bill, Karl, George, Rich, Rick, Audrey, Billie, Kris and Cindy.

We had another discussion about our dues structure and some of the responses about the editorials in the newsletter. Kris submitted a more detailed article about dues for inclusion in our club member's newsletter mailing.

We then discussed the upcoming workshops / hoedown on April 1st.

It was stated that this one is really for our Plus class dancers and the Prime 8's A1 class dancers.

It was also noted that we need to keep coordinating with Prime 8's to make sure it goes well and that workers, decorations, etc.....are taken care of.

Our retreat at Fife's, later on in April, was discussed. We really hope that most of our beginners attend. George gave us more information about housing and dance space(s). We already have 26 or so reservations.

The June 3rd workshop/dance (gala?) will be geared more toward the Mainstream / Plus dancers. We will have A1 star tips if there are enough dancers for them.

It was noted that we will not be able to dance at the school on March 21st, because of Spring break. We will dance at Joseph's and have a "Transition Party" for our beginners (from Basic into Mainstream). Speaking of them, we had a discussion about the Mainstream graduation requirements.

Karl will host a "Graduation Potluck" on June 13th (Tuesday night). It will also be a "bring a friend" who may want to join us next year.

Audrey reported that as of Feb. 21st, we have $1,314.90 in the bank, that balances to the statements. She also stated that she just deposited $404 and has about $200 more to deposit.

Lastly, we set our next 2 board meeting dates and places: March 29th at Karl's, and April 26th at Audrey's. The time is the same...6:30pm.

The meeting was adjourned at 7:50pm.

Respectfully submitted,

Cindy

Joel in Kaiser

For those of you who know Joel, you might remember that he was an intrical part of this club, until late last year, when he stopped coming for physical and personal reasons. He is now in the hospital, and needs our support and best wishes.

From the collective club, we wish you the BEST! We hope to see you up and dancing with us soon!

Dues...again?

In order to spare us another article explaining the club dues policy, Kris has written up an excellent article, entitled "Bottom Line". It will be available along with this newsletter (club dance night) or will be sent to each member, with the newsletter, if needed. I hope that this will indeed be the "Bottom Line" on this subject. Don't hesitate to ask a board member if you ever have any questions concerning the club rules or activities.

Also, don't even think twice about attending any CCS board meeting. We attempt to announce the whereabouts of all board meetings, and encourage all club or class members to attend. REMEMBER, this club is "your" club. Your input is always solicited and valued. Although the board is run in a uniform manner, it is very informal. All participants are heard and listened to. Any suggestions are requested and discussed. C'mon out March 29th!

Don't forget to mark your calendars on April 1st, for the April Fool's Gala and April 21-23, for the Fife's Retreat.

We'll see you there!
